

H.B. GOODLIN FOUNDATION

Supporting and encouraging young musicians in San Diego County.

Providing "financial assistance, in the form of scholarship grants for further study in music, on an objective and nondiscriminatory basis, to encourage and reward outstanding young San Diego County music students who have exhibited diligence in their music studies as evidenced by exceptional scholarship and performance skills "

The Music Teachers' Association of California, San Diego Branch actively supports the Goodlin Foundation. To sustain the work of the Foundation, MTAC has sponsored benefit concerts by Hiroko Kunitake, Audrey Andrist and James Stern, Frank Wiens, and several of our past scholarship winners. But MTAC needs your help. Community contributions are needed to satisfy IRS stipulations for a tax-deductible foundation.

The H.B. Goodlin Foundation awards scholarships to young musicians of San Diego County. Each year over sixty junior and senior high school students audition for the prestigious awards. Administered by the Music Teachers' Association of California, San Diego Branch, amounts of the awards are configured annually, based upon the interest from the principle of the Foundation's fund. Community contributions are needed to satisfy IRS stipulations for a tax-deductible foundation. We welcome your support for these young people. To make a contribution to the Goodlin Foundation, send your check to:

San Diego Foundation (Memo Line: Helen B Goodlin Fund - MTAC) 2508 Historic Decatur Rd., Ste. 200, San Diego, CA 92106
